1983 Dodge Ram Van, converted to a camper by previous owner. I have made improvements, painted, made curtains, etc.

Tires are in good to reasonable condition, runs and drives fine. Work done on it after buying, good battery. 175k or thereabouts miles. No radio, automatic windows need some work and rewiring.

Kitchen area with ice chests, lots and lots of storage space, cosy and good for one person and maybe a pet. Overall a good vehicle, just in need of some more cosmetic work and care.

Available for pick up in TAOS or QUESTA after DEC 17th.

MUST GO BY JANUARY 20TH!!!

Manuel

included.
